# 3 LEVEL FAST START BREAKDOWN

At OWN, we believe that teamwork helps everyone achieve more, compensating OWNERS to stay connected and excited about their teams growth will create the culture that can help people truly OWN their life! We have designed an industry exclusive 3-level fast start bonus that not only compensates the direct sponsor for inspiring someone to start their OWN journey, but also will compensate the 2nd and 3rd upline sponsors for the new OWNERS' first purchase. We want you to work together with your team and share the compensation that comes with it. At OWN, we don't just inspire others to join us, we inspire others to inspire others to join us and we all get compensated for it!

# DUAL TEAM PAY BREAKDOWN

At OWN, we already provide a very generous and easy to understand way to earn immediate income. With Dual Team Pay comes the possibility of true residual income of up to 20% of lesser team group sales volume up to \$20,000 each week. As you begin to build your sales team of OWNERS you will place these new partners on the left or right side of your organization, also at the same time OWNERS from above are also able to place new OWNERS on your left or right team and also OWNERS that are already in your left or right teams below you can also add more OWNERS to your organization. This creates two teams, which are evaluated for sales volume each week, the team with the lesser sales will be the team that your organization is paid on. The example on the right shows the organization of an OWNER that had their left team create 1,000 in their group sales volume while their right team created 1,500 in group sales volume. The left team has the lesser volume for the week so the Dual Team Pay for this Owner will be up to 20% of 1,000 since the OWNER qualified as a Silver for the week at 1,000 PLV.

Since the OWNER was paid on 1,000 GCV, that amount will be subtracted from both sides after payment. Since there is 500 GCV remaining on the right team, that GCV will be carried over to the next bonus week and be added to whatever right team group sales volume is created! So long as an OWNER remains active with 40 PCV, then banked volume will always carry over each week without limits and never expire.

# SPONSOR MATCHING BONUS BREAKDOWN

In addition to the Two Team structure, all your personally sponsored Members are also part of your "Sponsorship Organization." In your Sponsorship Organization, the Members you personally sponsor are placed on your first level (with unlimited horizontal expansion potential). All the Members they personally sponsor will be placed on your second level, and the trend will continue.

DTE = Dual Team Earnings

# GENERATION MATCHING BONUS

## BREAKDOWN

The OWN Matching Bonus program allows you to earn two different powerful matching bonuses on the Dual Team Pay earned by Members in your Sponsorship Organization. First, you get a 25% weekly check match on all your personally sponsored Brand Partners. Second, once you reach the rank of Silver Qualified Brand Partner or higher, you also get a 10% weekly check match paid on up to four generations of Silver Qualified Brand Partners or higher rank in your Sponsorship Organization.

The start of a "generation" is recognized when a member in your Sponsorship Organization has reached the rank of Silver or higher during a weekly pay period. The Matching Bonus includes all members below them in that team leg of your Sponsorship Organization until the tracking system encounters another Member in the same team leg who is also at the Silver Qualified Brand Partner rank or higher. That Member would then start your next generation.

# OWN YOUR LIFE BONUS

OWN understands that as you work harder to grow your business your expenses grow with it as well. Own has a monthly bonus that grows as you grow. At OWN we are not going to force you to use your monthly bonus on a vehicle, a mortgage payment or even office space, we want you to use it any way you want, because its yours! So go ahead and earn a monthly OWN Your Life Bonus and spend it any way you wish because after all it's your money, you should OWN it and you should **OWN Your Life!**
